ABOUT BIG DADDY WEAVE: Driven by the desire to see God move in people's lives, Big Daddy Weave pours that fervor into songs like "The Lion and The Lamb," "My Story," "Redeemed," "Overwhelmed," "The Only Name (Yours Will Be)," and "Alive," all that touch millions. When Jay Weaver, founding member and brother to lead singer Mike Weaver, went to be with the Lord in 2022, there was a celebration of victory for what Jesus has done paired with the pain of no longer having Jay in their daily lives. The time of grieving that followed brought revelations that were poured into songs. "God Is In This Story," their duet with Katy Nichole, tells how God is with each of us in whatever we're going through. "Heaven Changes Everything" shares how the promise of heaven gives us hope. These life messages are at the heart of every Big Daddy Weave song and concert. Visit their website at [BigDaddyWeave.com](#).

ABOUT TASHA LAYTON: Tasha Layton's 2021 smash hit "Look What You've Done" reached the pinnacle of *Billboard's* Christian Airplay chart and earned her recognition as one of the publication's Top 5 female Christian artists of the year. She has been featured on ABC's "GMA3: What You Need To Know," discussing how past struggles have shaped her life and inspired her music, and she also served as co-host of the 52nd GMA Dove Awards Pre-Telecast last year. Her six-song holiday EP *This Is Christmas* bowed in October and her guided prayer journal, "Boundless: Moving Freedom From Your Head To Your Heart," also released last fall.

In 2020 Layton was first named one of *Billboard's* Top 5 female Christian artists of the year on the heels of her breakthrough single "Into The Sea (It's Gonna Be OK)," which was among the biggest hits at Christian radio that year. Prior to her solo career, Layton appeared on Season 9 of *American Idol* and spent four years as a backup vocalist for pop superstar Katy Perry. A South Carolina native, her voice has been heard in productions for Disneyland and Cirque du Soleil; she has served as an instructor at the National Praise and Worship Institute at Nashville's Trevecca Nazarene University; and Layton is featured in pro-audio company TC Helicon's book, "The Ultimate Guide to Singing."
